PRIMA MUSA®

Your Inspiration, Our Motivation

Specialists in personalized & customized espresso machines

Clio

Clio

Power, Versatility, Elegance

Designed for those seeking a versatile and refined coffee machine, Clio by Prima Musa combines ease of use with semi-professional performance, making it ideal for both home and professional use. Compatible with ground coffee and, with the additional kit, also with ESE pods, Clio is the perfect choice to meet every need.

Elegant and Compact Design

Clio’s design has been conceived to seamlessly fit into any environment, from home kitchens to professional spaces, offices, and workplaces. Its refined and compact lines combine aesthetics and functionality, enhancing any setting without compromising on elegance.
